\_\_\_\_\_ period product/type/dose

Patient's general condition: good \_\_\_ tolerable \_\_\_ very bad, weak \_\_\_

Constitution:

slim \_\_\_ normal \_\_\_ athletic \_\_\_

Which summary resonates most with you?

\_\_\_ 1. I am stubborn and reclusive with a strong sense of responsibility. I frequently feel cold and have difficulty getting warm.

\_\_\_ 2. I am athletic and exercise. I am calm and centered. I am shorter than average. I frequently feel underappreciated, unattractive or unloved. I have a strong sense of guilt or shame. I am a perfectionist, and sometimes compulsive.

\_\_\_ 3. I have a compromised immune system and have recurrent infections. I suffer from guilt, self-loathing and have harmed myself. I feel inadequate. I have intense thoughts and passions that I keep to myself.

\_\_\_ 4. I am very capable of accomplishing things. I can do it all. I multitask and accomplish a lot, but I am unsure of my ultimate destination in life.
